NEW ABAYA DESIGNS

Coming Soon

WE HAVE
LAUNCHED
IN DUBAI

It was inevitable that at some point we would have come to Dubai, the home of luxurious and glamorous modest fashion. Since Launching in the UK in 2017, we had our sights set on Dubai. In January 2019, that dream came true! We are now stocking your favourite designs at:
The District Dubai
Contemporary Concept Store
 Shop no 14 , Al AtharStreet , Jumeira 3, Dubai
 Call ☎ 0097148824777 for enquiries.

We can now do what many of you have asked and that is to customize and tailor your selected design to fit you. All you need to do is visit the store, select your design and give it to be altered in to the size you need.

We also take orders for designs that are either out of stock on our website or in the store, subject to availability of the same materials. Otherwise we can create the design of your choice in the measurements you need. Simply ask the our colleagues in the store for more details.

I guess by now many know that we do things differently. So with that in mind we brought our selection of high quality wooden watches and sun-glasses to Dubai. The Sunglasses are made of Bamboo wood while the watches are made of other more exotic timber such as Maple, Beech and Red Sandalwood.

Come check out our collection at
 Ush Boutique
 Villa C-125, 32B Street,
 Al Wasl Road,
 Jumeirah 1
 Dubai
